

PROFESSIONAL SKILLS DOCUMENT

Davide Alves

System Administrator and Data Analyst

[13+ YEARS OF EXPERIENCE]

EXPERIENCE SUMMARY

SQL Server Analyst with 13 years of experience in developing queries to provide reports for business analysis and data-driven decision making, optimizing existing queries by reducing their execution time and optimizing execution blocks, and maintaining databases through maintenance tasks and backups.

Developing reports necessary for presenting results using Crystal Reports.

Over these 13 years, I have developed knowledge in the area of Systems and Infrastructure Administration, managing available resources together with an external team and optimizing resources for daily tasks, thus maintaining business continuity, from implementing backup policies and new technologies to support them and provide more stability and security to the entire infrastructure.

I acquired skills in maintaining and managing AD, DNS, and DHCP, maintaining virtualization systems in VMware and Hyper-V, also managing and controlling backups in VEEAM and NAKIVO tools, jointly implementing new solutions and improvements to systems and infrastructures, with a view to supporting the company's growth and ensuring the necessary resources, maintaining an organization of the created VMs and replacing VMs to support more services.

As a Security Administrator, I learned to manage the Palo Alto Cortex XDR platform as well as Palo Alto Firewalls and the application and creation of policies, thus improving security and always seeking continuous improvement, which is so necessary in terms of security today.

TECHNICAL SKILLS

Technologies	Level (1-5)	Type
SQL Server	4	Professional
Crystal Reports	4	Professional
Active Directory	3	Professional
DNS	2	Professional
DHCP	2	Professional
OFFICE 365 ADMIN	3	Professional
PowerShell	2	Professional
Cortex XDR	3	Professional
Panorama Palo Alto	2	Professional
CISCO SWITCH	1	Professional
CISCO AP's	1	Professional
Windows Server	3	Professional
Hyper-V	1	Professional
VMWare	2	Professional
VEEAM	2	Professional
NAKIVO	2	Professional
Visual Basic	3	Student
C++	3	Student
Haskell	1	Student

PROFESSIONAL EXPERIENCE

Têxtil Cães de Pedra – IT System and Data Analyst

December 2012 – Current.

Context

SQL Server and System Administrator.

Activities

- Administration and preventive and corrective maintenance of the entire IT infrastructure of the group's data center
- Core management of Windows Server environments, ensuring the availability of Active Directory, DNS, and DHCP
- Optimization of SQL code and indexes, with up to 50% reduction in query execution time and elimination of blockages
- Development of stored procedures, automated jobs, dashboards, and operational reports in Crystal Reports
- Administration of Palo Alto, Cortex XDR, and MDR security solutions Management of cloud and physical infrastructure backups, including Office 365
- Administration of physical and virtual infrastructure, including servers, storage, backup appliances with immutability, and tape robots
- Administration of corporate network in Cisco technology, including switches and access points

Technologies

SQL Server, PowerShell, Crystal Reports, ERP Vanguarda, Windows Server, AD, DNS, DHCP, OFFICE 365, PALO ALTO, CISCO.

Amigo Alternativo Informática Unipessoal, Lda – IT TECHNICIAN

2011 – 2012

Context

Equipment Repair.

Activities

- Diagnostics, repair, and advanced hardware maintenance for desktops, notebooks, servers, and workstations.
- Installation, configuration, and parameterization of corporate operating systems and structured network management.

Technologies

Windows, Office, Testing Software

Virtualforum, CRL – PROGRAMMER / SOFTWARE TECHNICIAN

2006 – 2009

Context

Software maintenance and development.

Activities

- Development of modules and specialized technical support for enterprise resource planning (ERP) software and helpdesk platforms.
- Active programming using Microsoft Visual FoxPro 7.0 and 9.0 languages.

Technologies

Visual FoxPro 7.0 and 9.0, Crystal Reports, SQL Server

EDUCATION / CERTIFICATION

Year	Training	Institution
2007 - 2011	Computer Engineering	University of Minho
2002 - 2005	Vocational Computer Course	CISAVE

LANGUAGE SKILLS

Language	Understanding	Speaking	Writing
English	B1	B1	B1
Portuguese	C2	C2	C2

*A1/A2 Basic user | B1/B2 Independent user | C1/C2 Advanced user.
